

What's Next: What's Next?

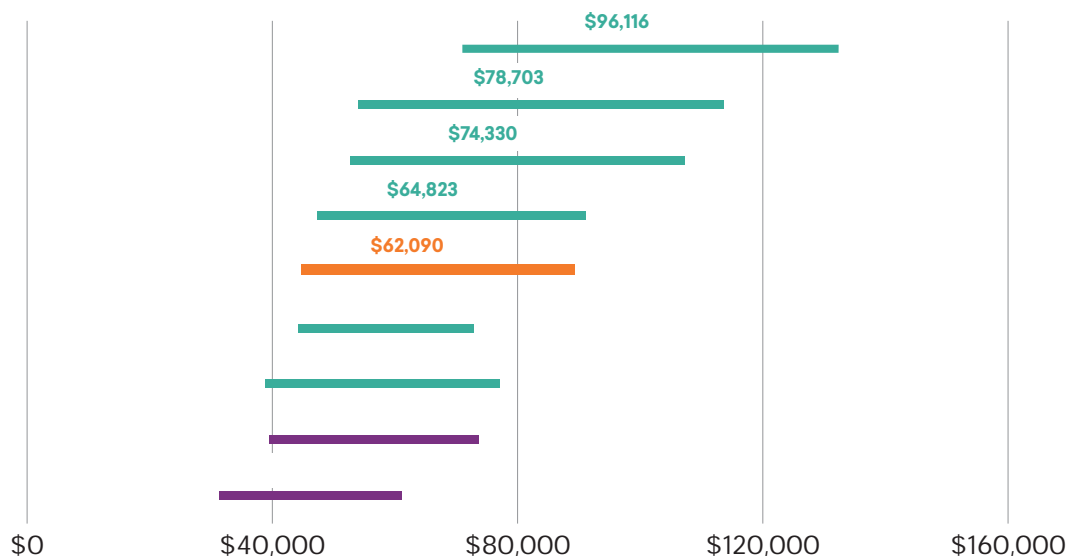

As a result of the COVID-19 pandemic, the University of Wisconsin-Madison has experienced a significant decrease in enrollment. This has led to a corresponding decrease in revenue, which has impacted the university's ability to fund its programs and services. The university is currently working to address these challenges and ensure the long-term sustainability of its operations.

The university is currently working to address these challenges and ensure the long-term sustainability of its operations. This includes implementing cost-saving measures, seeking new revenue sources, and exploring alternative funding models. The university is committed to maintaining the highest quality of education and research, even in the face of these challenges.
